Subject: UCLG-MEWA Membership

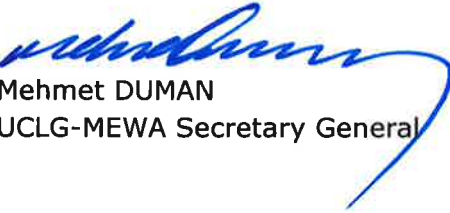

Distinguished UCLG-MEWA member,

As UCLG-MEWA Secretariat General, we wish that the new governing bodies elected during our 5th Ordinary Congress held on 19 April 2016, in Gaziantep, Turkey, and the new period will benefit you and all of our other members.

UCLG-MEWA has created a survey that you can find in the attachment, in order to provide its members with better opportunities and to ensure an efficient cooperation. I believe that we will better collaborate with your institution, develop more beneficial projects and will expand our membership base together in the light of your answers in the abovementioned survey.

I cordially request you to send the survey back with your answers.

Kind regards,

Mehmet DUMAN
UCLG-MEWA Secretary General
